

## Community Notice

The Township of Coleman is having a Fall Amnesty (Clean Up) Week beginning on Monday October 5, 2020 until Saturday, October 10, 2020. Tipping fees will be waived for most waste and the Township Public Works department will be doing curbside collection of bulky and other items throughout the week. Regular residential garbage pick up will take place on Tuesday as usual. Please do not include regular household waste with large bulky items.

Public Works will be starting in the area of mileage 104 beginning on Monday and will work their way towards the southwest and eventually finishing up in the Refinery Townsite area.

The landfill site will be open and residents can bring waste at no charge.

The Township will not pick up any untagged items containing freon, hazardous waste and brush and/or old wood and trees. The Township will continue to accept these at the landfill site and will charge for these items in accordance with the Township's Waste Collection By-law No. 13-43 as amended.
